Description:

Damaged / Faulty goods - This comprises of any or all the following types:

(a) Customer Returns stock - goods returned to Us by Our customers as being faulty or defective in some way which, for some reason, cannot be returned by us to the original supplier;

(b) Warehouse / Store Damaged goods - goods which have suffered from accidental damage within Our distribution system. the goods themselves may be damaged, or it may simply that the packaging is damaged;

(c) partially complete / incomplete goods - includes multipart goods where one or more components are missing.

The full details of all products included in this auction are available to view by downloading the file below. Goods are sold on an "as is" basis and are not tested prior to selling to You All winning bids need to be paid for and collected in 5 working days from the invoice being raised.

This load equates to 25 pallets
